

ayaish.com

ayaish.com is an online portfolio that showcases Ayaka Ishide's design work and experience.

ayaish.com contains my work on UX design, 3D art, graphics; as well as my resume. It is a visual digitalization of all the work I have done into one place. For each project, the thought process behind how the final work was created is recorded.

Personas

	
Hiring manager A job recruiter looking for past work experience	Client Potential client that wants to look at example work
